

## TETNEY LOCK

november wrens  
& redwings feed  
on bright rosehips  
up through haws  
angle error teasel  
**DANGER OVERHEAD**  
*always carry rods*  
*level, parallel to*  
*the ground walk-*  
ing dead & alive  
grass trod up by  
hooves & moles

rust-red farm  
bridge girders  
spider-woven  
**MAX 3 TONNES**  
fisherman sits  
behind his line  
texting intent

cars strip silver  
around away on  
North Coates Rd  
moorhens take  
long canal curve  
left : shadows slow  
swerve on water  
cattle across drink  
call deeply chime  
to unseen machine  
scrape : grey heron  
flies far upstream
