

We politely request that you refrain from visiting The Ropewalk should you start displaying any of the symptoms associated with COVID-19.

- **The wearing of facemasks is now mandatory. We insist that everyone* wear a facecovering in public areas. Individual workshop leaders will give further, specific advice about their workshops**
- **All rooms have been deep cleansed and all regular-touched surfaces sanitised**
- **Hand-sanitiser is available by the entrance door**
- **Participant numbers have been reduced and each workstation will allow for social distancing**
- **Please respect current social distance guidelines: 2 metres or 1 metre with mitigation**
- **Toilets - Wipes are available in all toilets – please be responsible to sanitise before use**
- **NHS QR Code posters are in place for those who have downloaded the app**

Please note that there is no access to the Coffee Shop through the building – there is a one-way system in operation to comply with Tack and Trace legislation and access is from the outside only. Participants must comply with the ‘Rule of Six’ if wishing to go for a coffee. Lunch may be ordered in the morning and will be delivered to the workshop room at lunchtime.
